

## Stillwater Bands Mission Statement

To create an environment through music that will foster, challenge, motivate, develop, and demand excellent musicianship skills and performance.

The Stillwater Band program is dedicated to “Striving for Excellence” in all musical and educational forms. This includes providing challenging performance opportunities and connecting the importance of music as an integral part of the Stillwater community culture.

We believe band combines the best of creative skills, kinesthetic ability, dedication, maturity, and is a vital component for students to become responsible and mature adults giving them the skills to succeed in all facets of their life.
